Library & WEX support	**Borka Kresoya** 6142 3317 Borislava.Kresoya@ed.act.edu.au

CAREERS

The Careers Team are located in the "Career Corner" corridor near the library. Our Qualified Career Advisors can help you with:

- Identifying possible interest areas
- Appropriate Courses, career goals and vocational and educational options
- Possible occupations/vocations
- Training opportunities available to help you develop the necessary skills for transition
- Developing a pathways plan to set out ways to achieve your post school goals
- Pre-vocational courses or work experience placements to determine whether you like the occupation you have chosen
- Job-seeking skills including writing resumes, interview skills, and letters of application
- Contacting service providers, disability liaison officers and other agencies

A number of career-related opportunities arise early in the school year and we encourage all students to listen carefully to careers information in Connect groups and register on the Careers Classroom page – utrq8k

We strongly advise all students, both year 11 and 12, to make an appointment to see us. We can provide you with current and post-college career / transition information.
