Theatre

Sophisticated infrastructure and technically sound, this theatre is certainly flexible for many genres of performance. It is fitted with 174 seats intimate to the stage, with a blue front curtain and black back curtain as well as a cyclorama white wall. Equipped with a Roland (v-mixer M480), the latest Maxim lighting board, projector with HDMI capabilities both on and off stage, two main FOH lighting bridges, 2 subwoofers plus much more. Hired alongside the box office/kitchenette, dressing rooms and loading dock.

Main Stage – 14.12m x 6.38m

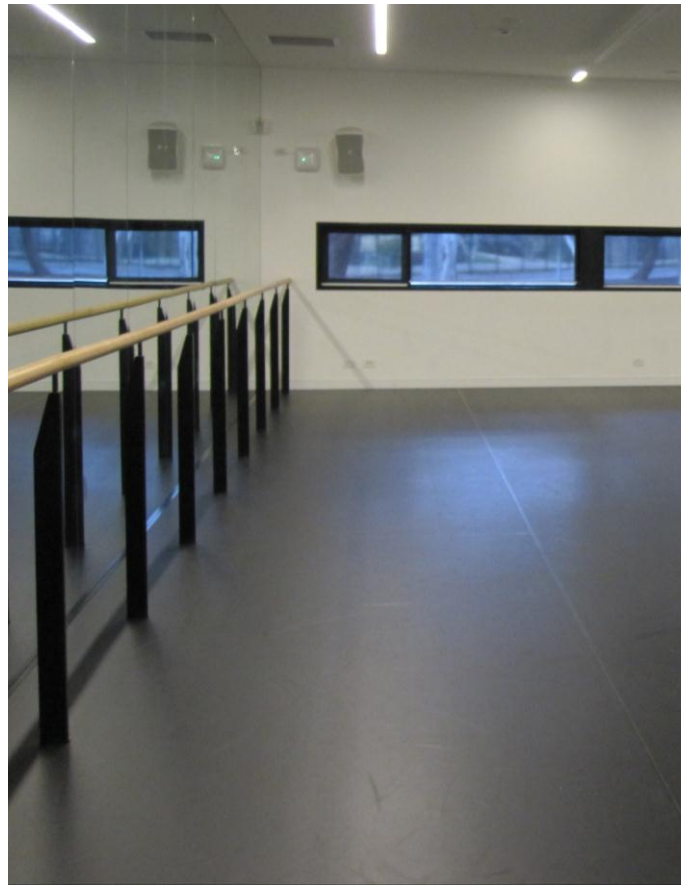

Apron – 14.12m x 4.58m

Dance Studio

Classy black and white enclosed dance studio, with sprung tarquet Harlequin flooring. Full floor to ceiling mirrors across length of studio with polished wood barre. Surround sound speakers provide for an ambient atmosphere with CD player and iPod connectivity. Bare feet and soft dance shoes only. Perfect for most dance styles and general rehearsal.

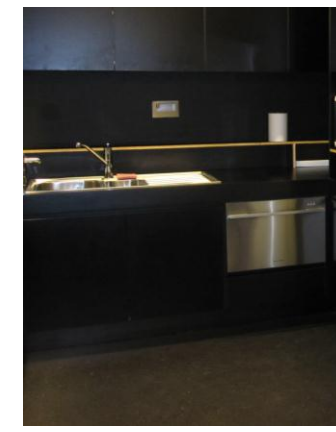

Size: 15 x 8m

Drama Studio

Fully enclosed black box theatre with a versatile curtain track system, set lighting rig with Strand Patt 123/23 soft coverage and specials. Two house lighting panels offer white and blue light coverage. With Jands Stage 12 lighting console.

Size: 9.8 x 14.3 x 4.5m

Other rooms

Kitchenette/box office complete with fridge, microwave, dishwasher, coffee maker and instant hot or chilled water. Two unisex toilets with disabled and baby change areas, two dressing rooms with disabled and shower facilities. Plus a fully accessible loading dock
