

The Arts at Canberra College 2021

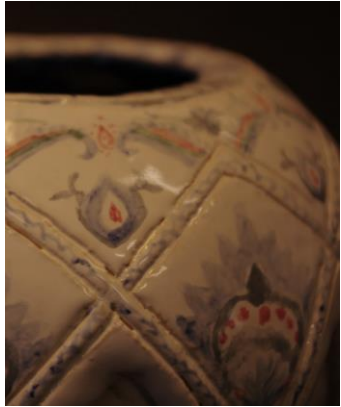

CANBERRA
COLLEGE
Caring for your future

A little 'taste' of the Arts at Canberra College

VISUAL ART

- Art students enjoy working in our beautifully refurbished Visual Art Studio
- Art students continue to create beautiful and dynamic examples of their chosen medium
- Year 12 Visual Diaries and Artists Books are seen as exemplars by ACT College Teachers at Moderation
- Art Students are invited to participate in workshops in a variety of disciplines at the ANU School of Art College Program
- Students can study a Tertiary or Accredited package and can complete a minor, major, major/minor or double major in Visual Arts, including up to four units of Ceramics
- Every term we hold an Art exhibition to showcase student work.

DANCE

- Students can learn a variety of styles of dance developing technical skill, performing repertoire, creating original choreography and collaborating with other artists
- We have guest artists and companies regularly facilitate workshops with the dancers.
- Sydney Dance Company held a workshop for our dance students in the CCPAC dance studio
- Dance students can perform regularly at College Open Night/s and Dance Showcase, limelight and Dancefest.
- Students perform in Quantum Leap Ensemble and also audition for tertiary dance institutions around Australia
- Students can study a Tertiary or Accredited package and can complete a minor, major major/minor, or double major in Dance
- Come along to our *Dance Showcase* – held twice a year at the end of each semester in the theatre

MEDIA

- Media students create unique products using *current CS6 industry standard* software. They are focusing on three distinct streams; screen, print and digital
- CC students achieve success at events such as the ReelACT Film Festival – 2019 we placed 1st Place Music Video and we had 7 finalists across five genres in the festival
- Students with a screen focus create films in diverse genres using differing techniques, including mockumentaries, short films, computer generated animation, stop motion animation, trailers, green screening, documentaries and music videos
- Print focus students can develop their knowledge of design to make posters, packaging, newspapers, graphic novels, promotional material and create marketing campaigns
- Students who focus on digital media learn to create websites and make interactive games and explore Flash and 3D animation
- Students can study a Tertiary or Accredited package and can complete a minor, major/ double major in Media with opportunities for vocational studies

DRAMA

- There are Drama classes available for a variety of different student pathways: classes for the aspiring serious performer as well as the interested amateur
- Drama students create an original ensemble performance piece that tours bi-annually to the *Adelaide Fringe Festival*
- Drama students perform at local community festivals such as 'Fast and Fresh' and Come Alive.
- Sydney Drama tours in the past have included tours of the Opera Centre, where the props, costumes and sets for the Opera are made, performance workshops at Belvoir St Theatre and N.I.D.A. We usually catch a show at STC and the Sydney Opera House and visit the Art Gallery of NSW and Chinatown
- Students can study a Tertiary or Accredited package and can complete a minor, major, major/minor or double major in Drama.
- Drama and Theatre students perform major productions in our CCPAC theatre each semester.
- Keep an eye on our FB and Instagram Pages for info regarding our S2 Drama production.

MUSIC & MUSIC INDUSTRY

- Canberra College has Music students have participated in the ANU school of Music type 1 course (admittance through audition).
- The College Jazz Band students perform every year at the *Merimbula Festival*, just one of the many performance opportunities available.
- Music Industry vocational students can complete Industry related work experience placements.
- Music Industry students have the opportunity to be involved as assistants at local music festivals and events.
- Students can study a Tertiary, Accredited or Vocational C Course package and can complete a minor, major, major/minor or double major in Music.
- Music Industry as a Vocational study option gives opportunities for training in *Industry Standard Recording and Live Production*.

PHOTOGRAPHY & DIGITAL PHOTOGRAPHY

- Photography students study black & white, alternative and digital
- Canberra College photography students have regularly 'scooped the pool' in various state and national photography exhibitions and competitions!
- Students participate in work experience with local and inter-state professional photographers
- Students have the opportunity to participate in workshops at the A.N.U. and C.I.T.
- Student work is exhibited within the college and students are encouraged to exhibit at external venues
- Students can complete a minor, major or major/minor. All classes can be completed at tertiary or accredited level.
